This album, while enjoyable, is conflicting because of the identity crisis I mentioned above. I adore ROC (my fave record from them) and to be .... At the Drive-In are back, they have purpose, and it turns out that we very much need them.. The album contains all of the qualities of the band's heydays, with chaotic soundscapes and a relentless pace, but there's something missing.. in•ter a•li•a is ultimately too slight and monochromatic to fit neatly alongside the greatness of Relationship of Command, but as a comeback effort it strips away the indulgence of Mars Volta (and absolutely everything Omar Rodríguez-López has done outside these two projects) without devolving into deconstruction.. Metacritic Music Reviews, in•ter a•li•a by At the Drive-In, The first studio ... Album Details: The first studio release in 17 years for the Texas .... At the Drive-In - in•ter a•li•a (Album Review)

At the Drive In's Relationship Of Command was one of those albums that burned a flashbulb memory in your brain. It was a landmark record so .... It was hard not to listen to ATDI circa 2000 without thinking, This is the future. But the future was short for the post-punk renegades. Relationship of .... Bands reunite for all sorts of reasons, but At The Drive In's has never really been ... Perhaps most significantly, 'in•ter a•li•a' feels like an ATDI album, which is no .... At the Drive-In's newest is an alternative album, knowingly so. At least some of its words seem inaudible and often appear to lack a clear .... "...El Paso, Texas post-hardcore act At The Drive-In are in an interesting place when it comes to how they've effected the acts that came after .... At The Drive-In's first album since 2000 is 'Inter Alia' ... Their first recording in 17 years, Inter Alia (stylized as in•ter a•li•a) picks up the anarchic .... Seventeen years since their last record, At The Drive In don't break a sweat picking up right where they left off. At the Drive In interalia review.. Review: At the Drive In's Much Anticipated Comeback Album in•ter a•li•a Dutifully Serves the Fans. Zoe Camp // May 8, 2017. Share this article: Email.. Hearing it as the fourth track on in•ter a•li•a doesn't make a good song, but while almost four minutes of slightly off-brand At the Drive In is a massive disappointment in the context of 2017 and Relationship of Command, after 41 minutes, it's easier to accept what in•ter a•li•a brings to the present day when no one .... in•ter a•li•a is the fourth studio album by At the Drive-In, released on May 5, 2017. It is their first studio album in 17 years since Relationship of Command, and ...

At The Drive In - In•Ter A•Li•A album review. Art-punk heroes make a thrilling return. By Nik Young May 02, 2017. Shares. Cover art for At The Drive In - In•Ter .... At the Drive-In - in•ter a•li•a review: That's the way the toy monkey claps.. They said themselves it would never happen, but At The Drive In have recorded 11 new songs. Seventeen years after their phenomenal final .... Read our review of the new At the Drive In album 'in•ter a•li•a,' the band's first disc in 17 years. 2159db9b83
