hi I have installed ubuntu Gnome 16.10 on my computer now I have no start menue. Is that normal? How to create a start menu? peyam: if you installed gnome-shell, yes ducasse, I had unity I removed it peyam: is that unity-3d or unity-2d? unity 2d or something like that I think so peyam: try this peyam: i don't think you can set the start menu from the icon settings ducasse, It didn't work for me either peyam: i think you can, but then you'll need to set it up each time, from the command line I am on a mobile terminal and I will install unity next time peyam: then i would try it with gnome-panel, it might be easier to set it up that way. How to remove unity? sudo apt-get remove unity*? peyam: not sure you can remove it that way, but you can uninstall it and set gnome-shell as your default desktop. ducasse, how do I set gnome-shell? peyam: try this - I dont get it what is the difference between ubuntu-desktop and ubuntu-gnome-desktop? what is the difference between ubuntu-gnome-desktop and gnome-shell ducasse,? peyam: ubuntu- 82157476af
